Open the Uber app on your smartphone and navigate to your desired vehicle option. If you're traveling in a group or have extra bags, consider a high-capacity vehicle like uberXL or UberSUV. There are 3 terminals at ATL. After selecting a vehicle, follow the Rideshare signs to navigate to the Lower Level of the terminal. Then select the door or gate number. If you are unsure of the number, check the signs posted outside. Meet your driver outside at your selected door number. All Uber pickups must occur on the lower (arrivals) level only. You will be charged an additional \$3.85 for each uberX pick-up at the airport, with the funds going directly to Hartsfield-Jackson. The fee will not apply to airport dropoffs.
